The copyright law applies

[Copyright Protection 1.0](#) (complemented by specific usage information, if applicable)

Hereby, I agree to the release of my publication/s mentioned above. As relevant in this respect, the release conditions of Chemnitz University Library in the respectively current version apply.

Release conditions of Chemnitz University Library

1. Concession of rights to the operator of the repository

1. I concede the simple, temporarily unlimited usage right to Chemnitz University Library for electronic storage and processing of the publication/s mentioned above including the corresponding metadata and the abstract as well as for making them publically accessible within data networks such as the internet and for providing them via technical interfaces like OAI.
2. I concede the right to Chemnitz University Library for declaration and disclosure of the publication/s mentioned above including the corresponding metadata and the abstract to other institutions, i.a. within national tasks for collection, particularly for the purpose of long-time archiving.
3. I agree with the release of the metadata (without abstract) by Creative Commons Zero license (CC0, see: <https://creativecommons.org/publicdomain/zero/1.0/deed.en>).
4. I consent to the making of copies of the document/s and to their conversion into other electronic and haptic formats by preservation of the content integrity for archiving purposes.
5. I am entitled to cancel those concession of rights by indication of appropriate reasons. In case of no opposing legal aspects, the access to the publication/s will be blocked.

2. Declaration regarding copyright and personality rights

1. I confirm to hold the usage rights according to copyright law on all parts of the elaboration and that no rights of third parties, particularly copyright and personality rights of third parties, are infringed by the release. In case that presumed or effective infringements of rights of third parties are claimed, I will inform the operator without any delay.
2. I agree that, if applicable, personal data of myself and other parties included in the publication/s and the metadata are made publically accessible.
3. I assure that persons, who have participated in the publication/s, were informed about the intended release and have agreed on the usage of their contributions in the manner determined above.

3. General information

1. The authors or other holders of rights check the metadata, which Chemnitz University Library, if applicable, is entitled to amend or complete, and the online version of the publication/s with regard to completeness, authenticity and legibility subsequent to the processing by Chemnitz University Library
2. Chemnitz University Library does not pursue any commercial interests with the release. The authors or other holders of rights do not receive any remunerations by Chemnitz University Library for the release of the publication/s mentioned above.
3. The authors or other holders of rights are entitled to make use of the elaboration/s in other ways also as long as no restrictions of the rights conceded to Chemnitz University Library according to this declaration derive from that.
4. Release of an elaboration for qualification (doctoral thesis, postdoctoral thesis, master/ diploma thesis etc.)
I confirm that the electronic version corresponds from the content to the printed issue (including/ excluding curriculum vitae) mandatorily to be submitted (according to the doctoral/ post-doctoral regulations) resp. to the approved version of the elaboration. * Please delete as applicable. It is recommended to reduce the curriculum vitae on the academic/ professional background.

I have read the release conditions and agree on them.

I have taken note of the additional data protection statement of Chemnitz University Library.
